Sweet Delights:

Starting off with something sweet, Maxine's serves up Mini Donuts that are perfect for satisfying your cravings in a light, delightful way. These warm, bite-sized treats are crispy on the outside and soft on the inside, making them an irresistible choice for a sweet snack. They are an ideal accompaniment to any of their coffee offerings or a perfect shareable treat to kick off your meal.

Savory Classics:

Maxine's Cafe & Bar has an array of savory dishes that cater to a variety of tastes. The Linguini, for example, is a wonderful choice for pasta lovers. Served with a rich and flavorful sauce, it's a hearty, satisfying option that's neither too heavy nor too light. For something a little more unique, their Ricotta Gnudi is a standout dish. These fluffy dumplings, made with ricotta cheese, are soft and delicate, served with a flavorful sauce that complements their texture perfectly. It's a must-try for those looking for something beyond the typical pasta.

If you're in the mood for something more substantial, the Smoked Salmon Rosti Vol.2 is a fantastic choice. This dish blends the rich, smoky flavor of salmon with the crispy, golden-brown texture of rosti (Swiss-style hash browns), creating a mouthwatering combination that's both comforting and refined. For burger enthusiasts, the Maxine's Burger is an excellent pick. A juicy, well-seasoned patty, paired with fresh, quality toppings, and a perfectly toasted bun makes this burger a favorite on the menu.

For those craving seafood, the Ling Cod A La Provencale is an excellent option. The delicate fish is cooked to perfection and served with a Provence-style sauce, which adds a burst of Mediterranean flavors. Whether you're a seafood lover or just looking to try something new, this dish will impress.

Coffee & Tea:

Maxine's Cafe & Bar also offers a variety of hot beverages, perfect for pairing with their delicious pastries or as a standalone treat. Their **Drip Coffee** is robust and flavorful, ideal for those who enjoy a straightforward cup of coffee. For espresso lovers, they offer **Cappuccino**, **Americano**, and **Latte**, all made with care and attention to detail, ensuring you get a perfect brew every time. For those who prefer tea, Maxine's provides a selection of premium teas that are perfect for unwinding and enjoying a relaxing moment.

Daily Baked Goods:

It's light enough to enjoy with your coffee or as a snack, and it pairs wonderfully with the house's hot drinks. Another crowd favorite is the **Banana Oat Muffin**, which is moist and full of flavor, making it a perfect breakfast or afternoon snack. These baked goods are made fresh daily, ensuring that each bite is as delicious as the last.
